A gift aided donation of £500 is worth £625 to the Community Foundation at no extra cost to you. Please tick if applicable. (Both boxes must be ticked in order for us to claim gift aid.)

I would like to add Gift Aid to all donations to the charity until further notice.

I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax in the current tax year than the amount of Gift Aid claimed on all my donations it is my responsibility to pay any difference.

Giving by Gift Aid

If you are a UK taxpayer we can reclaim the basic rate tax already paid from HMRC. You must pay an amount of income tax and/or capital gains tax at least equal to the tax to be reclaimed on your donations (currently 25p for each £1 you give) in the relevant tax year. Payments of other taxes, e.g. VAT or Council tax, do not qualify.

In addition, if you are a higher rate UK taxpayer you can reclaim the difference between basic rate and higher rate tax through your personal tax allowances.

Donations via a CAF account or paid for by a company do not qualify for gift aid.

You can cancel this declaration at any time by notifying the charity. Please notify us if you change your name or address or if your circumstances change i.e. you no longer pay tax that the charity reclaims.
